

## "IN THE GAME" SCHOLARSHIP FUND — TERMS AND CONDITIONS STATEMENT

---

"I," "me," and "my" refer to the adult scholarship applicant.

1. By signing this form, I certify that the information provided in the accompanying "In the Game" Scholarship request is true and correct to the best of my knowledge, and I agree to be bound by the responsibilities required of me.
2. I understand that neither the Chatfield Boys' Lacrosse Program (Program) nor the Chatfield Boys' Lacrosse Booster Club (CBLBC) or any of its representatives, through awarding of a scholarship, shall be liable for any damage or injury occurring during participation in the sport of lacrosse.
3. I understand that each scholarship recipient is responsible for transportation to and from practices and games unless otherwise notified that transportation to a game is being provided through the Program. If transportation to a game is provided, I understand that I am responsible for transportation to and from the designated departure and arrival location.
4. I understand that unless I am provided basic equipment as part of my scholarship through the CBLBC equipment loan program, I am responsible for any and all equipment required for my athlete's participation as required by the Program.
5. I understand that scholarships will not be paid to the individual recipient, nor will any money be refundable to the individual.
6. I understand that if any statements submitted are later determined to be inaccurate, CBLBC may immediately terminate my athlete's privilege to benefit from this program, and in the case of an intentionally false or misleading statement, I will repay to CBLBC the full value of any scholarship awarded.
7. I understand that if a scholarship is awarded to my athlete for a season and my athlete quits playing the sport, absent a verifiable medical condition or a waiver from the head coach, or my athlete fails to attend 95% of all practices and games (unless an accommodation has been approved as described in the Application Process), then my athlete will be ineligible to receive another scholarship in the following season.
8. I understand that if a scholarship is awarded to my athlete for a season, I will be required to volunteer eight (8) hours per scholarship recipient, unless an accommodation has been approved. Failure to satisfy this condition will disqualify my athlete and my immediate family from being considered for another scholarship for 18 months. All volunteer hours will be approved by the CBLBC Board of Directors (Board).
9. I understand that each scholarship application will be considered on a case-by-case basis by members of the Board.
10. I understand that my application and supporting documents are confidential and will be reviewed only by members of the Board. My athlete's head coach may be told that a scholarship has been awarded, but will not receive the application or any financial information.

## "IN THE GAME" SCHOLARSHIP FUND — APPLICATION PROCESS

---

### OVERVIEW

Chatfield Boys' Lacrosse Booster Club (CBLBC) provides registration fee scholarships to players who, without this financial assistance, would not be able to participate in the Chatfield Senior High School boys' lacrosse program, including the fall, winter, and spring seasons. This assistance is provided through the CBLBC "In the Game" scholarship fund. In certain cases, the scholarship may also help provide basic equipment needed to participate in lacrosse, as available through the CBLBC equipment loan program. Each player is responsible for keeping loaned equipment in good working order throughout the season and returning it to CBLBC at the end of the season.

CBLBC is a 501(c)(3) nonprofit organization with limited funding available for scholarship athletes each season. CBLBC will use its best efforts to aid all qualified applicants, but no guarantee of assistance is implied by this application. If the number of applications submitted and approved exceeds the funds available, scholarships will be awarded by lottery.

### ELIGIBILITY

- The athlete must be enrolled at Chatfield Senior High School, or at another Jeffco high school with eligibility to play lacrosse at Chatfield.
- Parents/guardians commit that the athlete will attend at least 95% of all scheduled practices and games.
- Parents/guardians agree, upon reasonable notice, to volunteer eight (8) hours per scholarship recipient. Volunteer hours may be completed at any time during the school year but must be completed no later than the end of the season the recipient played.
- Parents/guardians agree to participate in the fundraising opportunities CBLBC offers throughout the year.
- The maximum award per recipient family is \$550.00 per school year.

**Accommodations.** CBLBC will consider reasonable accommodations to the attendance and volunteer requirements for documented medical or disability needs. To request an accommodation, contact the Board before or during the season.

### QUALIFICATIONS

The more information provided to the Board, the better able the Board will be to determine qualifications. Consideration will be given to eligible families meeting one or more of the following:

- Participation in a public assistance program such as SNAP, student benefits, WIC, Medicaid, SSI, or foster care. Please provide one document showing participation; you may choose which program to document. Please black out any account numbers, Social Security numbers, and medical information before submitting.
- A written recommendation from a school representative, social worker, youth community center worker, or other social services representative.
- A written statement of immediate financial hardship. CBLBC recognizes that a family may not receive formal assistance, yet circumstances may still make it financially impossible for a student to participate. The Board will consider this statement, along with any supporting documentation you choose to provide.

As part of a complete application, the applicant must read and sign the Terms and Conditions Statement. Incomplete applications will be denied.

### NONDISCRIMINATION

CBLBC does not discriminate on any basis protected by federal law, Colorado law, or Jeffco Public Schools policy when considering applications for this scholarship.

## **"IN THE GAME" SCHOLARSHIP FUND — PROCEDURE**

---

- Scholarship requests must be submitted to the Board no later than four (4) weeks before the regular registration deadline.
- The application must be completed by a parent, guardian, or head of household, with all requested information and documentation provided.
- Incomplete, undocumented, or late applications will be denied.
- The Board will consider all complete applications received by the application deadline.
- The amount awarded (if any) may be a partial or full scholarship, depending on the number of applicants and the scholarship funds available.

Approval of a registration scholarship does not register the athlete in the lacrosse program. Once approved, the athlete must register online or in person for each Chatfield lacrosse season requested for the scholarship amount to be applied. Any registration fees not covered by the scholarship are the responsibility of the athlete's parent/guardian on or before the registration deadline.

### **BOARD CONFLICTS OF INTEREST**

Any Board member who is related to an applicant, or who has any other personal interest in an application, must disclose that interest to the Board and will not participate in reviewing, discussing, or voting on that application.

### **CONFIDENTIALITY AND RECORDS**

Applications and supporting documents are confidential and are reviewed only by Board members. The athlete's head coach may be told that a scholarship has been awarded but will not receive the application or any financial information. Applications and supporting documents will be securely destroyed at the end of the season for which the scholarship was requested.
